RESPONSE

In response to the Examiner's requirement for restriction, set forth in the Office Action dated December 15, 2005, Applicant elects, with traverse, the subject matter of Group I (claims 1-7) for prosecution in this application.

The Examiner is requested to reconsider and withdraw the requirement for restriction. It is submitted that no undue burden would be placed on the Examiner from a searching perspective if the subject matter of all of the Groups were to be considered in the same application.

An early and favorable Action on the merits is awaited.
